Cape Henry Audubon Society (CHAS) has partnered with Southern States for two, annual bird seed sales for many years. We are pleased to announce a new format for these sales. Simply print this document (or take a picture of it with your portable device) and bring it to the Southern States location noted above during the ten day periods shown above. We hope you will buy from Southern States year round but during these two 10 day windows, any bird related purchases will benefit Cape Henry Audubon Society. A portion of the sales will be donated to CHAS by Southern States.

If you have any bird related questions, please feel free to contact CHAS via www.chasnorfolk.org or Cape Henry Audubon on Facebook.

Thank you!
